Principal’s Report

Term 2 got off to a great start with over one hundred students and eleven staff members representing Temora Public School at local Anzac Day services. Thank you to everyone who gave up their time to be part of these important community events. Our students were very well behaved and showed a high degree of patience and respect at the services.

Teachers immersed themselves in learning at the school development day, completing a variety of professional learning activities focused heavily on advancing student learning. Teachers completed training in the How2Learn initiative, the student wellbeing framework, as well as analysing data from the Australian Early Development Census. The school plan milestones were reviewed and adjusted and a new scope and continuum for the teaching of technology was presented.

Next week, students in Years 3 and 5 will sit the Naplan tests in literacy and numeracy. These tests provide a snapshot of student performance. Whilst students are encouraged to do their best on these assessments, it’s important to remember that each child is unique and has talents across a broad range of areas that are not measured by Naplan.

A new buddy bench arrived at school today. This bench will be located in the playground and provide a place for students to go if they need a friend to play with.

We are all looking forward to a productive and successful term 2 at T.P.S.

Regards,

Mrs Reardon

Principal
Anzac Day - we remembered

Vice-Captains, Bonnie and Megan lead the student body at the Anzac Day march. The girls also read the prayers at the town service and laid a wreath at the cenotaph on behalf of the school community.

Persevering

Trying really hard to learn something new, even if it is tricky. Recognising that failure and mistakes are a part of the learning process.

What does ‘Persevering’ look like?
- Recognising that learning is a struggle and are not put off by being stuck.
- Keep on going despite difficulties and find ways to overcome them.
- Tolerate feelings of apprehension, frustration or confusion without getting upset.

Making Links

What does ‘Making Links’ mean?
Connecting something that you are learning to something that you already know.

What does ‘Making Links’ look like?
- Look for connections between experiences or ideas
- Connect new ideas to how you think and feel already
- Asking questions: What do you already know that could help you? What else do you know about that topic?
School Attendance

Revised School Attendance Policy and Procedures

If my child is away from school
Parents or caregivers are required by law to provide an explanation to the principal to say why their child was absent from school. A note of explanation should contain:

- Date that the note was written
- Child’s name
- Days/dates the child was absent from school
- The reason the child was absent
- The signature of the parent or caregiver

A note should be brought to school on the first day the student returns to school after an absence. The school is required to investigate all unexplained absences (where a child has been absent and no explanation has been received) within two days. If your child has problems remembering to hand in the note to his/her teacher, you can call the school on 6977 2877 and provide the information listed above verbally.

Leaving school early or arriving late
Schools are regularly audited by the Home School Liaison Officer around school attendance. One area of scrutiny is reasons provided for why children are late or leave early. The reasons provide staff with information to put accurate codes on the rolls. Please do not only write ‘appointment’ – please provide further information eg speech therapist, OT, dentist, counsellor etc. Medical and paramedical appointments are classed as ‘sick’ leave. If ‘appointment’ only is used, it is an unjustified absence.

Holidays
As part of the implementation of the National Standards, holidays taken by students outside of school vacation periods will now be included as absences. A Certificate of Exemption can no longer be granted for this purpose. Families are encouraged to holiday or travel during school vacations. If travel outside of school vacation periods is necessary, the following considerations apply:

- If the principal accepts the reason for the absence, the absence will be marked as “L” and a Certificate of Extended Leave – Holiday issued. This must be done prior to going on the holiday.
- If the principal does not believe the absence is in the student’s best interests and does not accept the reason or if the parents have not approached the principal, the absence will be recorded as “A”. A Certificate of Extended Leave – Holiday will not be issued.
- If the period of absence is in excess of 50 days, the student may be eligible to enrol in Distance Education See: Distance Education – Revised Enrolment Procedures 2015 for that period the student’s enrolment transfers to the distance education school.

Accepting explanations
- The “A” code is to be used if no explanation has been provided by parents within seven days of the occurrence of an absence or the explanation is not accepted by the Principal. It is at the principal’s discretion to accept the explanation provided. This code is used for whole day and part day absences.
- If a student’s absence is due to sickness the “S” code is used. The principal may request a medical certificate in addition to an explanation if the explanation provided is doubted or the student has a history of unsatisfactory attendance.
The humble Weet-Bix slice has been around for a while, but the addition of sultanas and a little lemon icing means you can omit a lot of the added sugar.

120g butter, melted  
1 ½ cups crushed Weet-Bix  
1 ½ cups self-raising flour  
1/2 cup caster sugar  
1 cup sultanas  
2 tbsp lemon juice  
1 ½ cups icing sugar mixture

You’ll also need  
A 26 x 16cm slice tray and baking paper  
A mixing bowl  
A large metal spoon

⇒ Preheat the oven to 180°C.  
⇒ In a mixing bowl, combine the Weet-Bix, flour, sugar and raisins.  
⇒ Melt butter and pour into the mixing bowl.  
⇒ Combine all ingredients until they just come together.  
⇒ Line the slice tray with baking paper and pour in the mixture. Press down firmly with the large metal spoon until the mix is firmly packed into all the corners and smooth on the top.  
⇒ Bake for 15 mins or until lightly browned. Remove from the oven and set aside to cool.

While the slice is in the oven, combine the icing sugar mixture and just enough of the lemon juice to create a slightly runny icing, add a little extra water to get the right consistency. You need the icing to be able to be ‘drizzled’ over the cooling slice. Once the slice is cool, cut into bar shapes.

Notes  
Weet-Bix slice freezes beautifully for up to 3 months. I individually wrap each of the bars in some wax paper (a little sticky tape on the back keeps it all neat) and freeze in a zip lock bag. In the morning I take a frozen slice out and put straight into the lunchbox, perfect by recess.

Smoking near schools
Since 7 January 2013, the Government has banned smoking at public (outdoor) playgrounds within 10 metres of children’s play equipment.

In line with this law, Temora Public School has included in our Code of Conduct that no person is to smoke within 10 metres of the school’s boundary fence on all sides.

To respect our students’ and staffs’ health and wellbeing, we would ask that everyone ensures they do not smoke within this zone.

Penalties of up to $550 may apply to anyone who fails to comply with this law.
