Principal's Report

Monday was an exciting day for our newly elected SRC members, when they were inducted at a special assembly in front of their parents. The students were nominated to be part of the SRC by their classmates and will participate in meetings and fundraisers to support the school. The SRC gives our students a voice in what happens at school and is a valuable part of school life.

On Saturday, staff will participate in a professional learning day with acclaimed presenter Marie Amaro. The focus of the day will be teacher wellbeing. Teaching has become an increasingly demanding profession in recent years, as a result of the need to cater for a wide range of student ability, mental health issues and additional paperwork associated with the role. It is vital that our staff manage themselves effectively in order to be able to meet the significant demands of each day. I appreciate that they are willing to give up a Saturday to participate in this professional learning opportunity.

Qualifying students will participate at the zone swimming carnival this Friday. The carnival is being organised by Miss Williams and will be held at the Temora pool. We wish our students all the best for this event.

Regards,
Mrs Reardon
Principal

School Captains 2018

L to R; Taj T, Zoe H, Emma R and Ethan G

Our School Captains and Vice-Captains are enthusiastically embracing their new roles as leaders of the student body. This week they lead the SRC induction assembly and have been excellent role models for our younger students. In a few weeks time, they will travel to Sydney to attend the Young Leaders' Conference with thousands of student leaders from across the state. We are lucky to have such a responsible group of Captains to play a vital leadership role at TPS this year.
