Week 9

- Fri, 30th Mar, * Good Friday holiday
- Mon, 2nd Apr, * Easter Monday holiday

School working bee

One of our major focus areas this year is to revamp the school playground so it looks more inviting and is filled with equipment that will engage our students in fun activities at play times. We're holding a working bee on Saturday, 7th April from 9am. Please come along and lend a helping hand. A barbecue and drinks will be provided. Let's work together to make our school a better place!

Save the date!

Fun and laughter at Science Night

Over seventy students, parents and grandparents had a great time at our annual science night on Tuesday. Mrs Williams served up some delicious morsels of food which were enjoyed by everyone. The Science fun began with a chemical reaction in a soft drink bottle, which flew right across the quadrangle with a loud bang!! What a great way to start the night. Our families then moved on to the science experiments, which left many children in awe of what was happening. It was a beaut night of fun and learning. Thanks to Mrs Williams and Dr Peter Easterwell for organising such an interesting learning experience.

The Christmas, Crawford and Macauley families enjoyed the opportunity to sample the healthy food on offer over a chat, before the excitement began.

Riley D and Xavier H played a game where they raced the coloured water down the bottles. I wonder who won?

BECOME AN INTERNATIONAL FAMILY IN 2018!

Hosting overseas students promotes an exchange of cultures, languages and traditions and will enrich your family's lifestyle. Students, aged 15-18, are wonderful role models for Australia's future generation. Become a volunteer host family with WEP!

**1,537 Aussie families hosting
 10,000 Tim Tams consumed
 Countless memories made**

"Our daughter has a big sister now, someone to talk to other than mum or dad! If you're thinking about hosting, do it! It's the most rewarding experience for your family!"
 Nicole, three-time host mum.
