Fri, 6th Apr	Rugby league football trials		
Sat, 7th Apr	P & C working bee, 9am. Many hands make light work!		

Principal's Report

The school planning team, consisting of staff and P&C representatives, finalised the school plan for 2018-2020 yesterday. The key features of the plan are outlined under the three strategic directions below.

STRATEGIC DIRECTION 1:

Create a high performing, dynamic school where students can connect, thrive and succeed.

STRATEGIC DIRECTION 2

Commitment to evidence based, explicit teaching practices, in a collaborative, professional learning environment.

STRATEGIC DIRECTION 3

The leadership team supports a culture of high expectations and community engagement to enhance whole school improvement.

The plan has been developed as a result of input from students, parents and staff, via surveys and verbal feedback. We have already ticked off a number of milestones in the plan and are excited about how the school will be operating and looking in three years time. I extend my thanks to all members of the planning team for their time and dedication in developing a quality plan to lead us into the future. The school plan will be uploaded to the T.P.S. website next week.

Regards,
Mrs Reardon
Principal

“Finding Frank” and “Netiquette” anti-bullying performances

Our students learnt some valuable lessons about the impact of bullying and how to protect themselves from cyberbullying by participating in two fantastic performances on Monday. This morning the choir sang a song at assembly about respecting each other and themselves. It was popular with students, as it contained a rap section and a catchy tune along with a great message. We all have a responsibility to work together to show empathy towards other and reduce bullying at school and in the wider community.

T.P.S. benefits from the Goldenfields Learning Community working together

Year 3/4 enjoy learning in the outside learning environment

Piper, Maisie, Zac, Sasha and Imogen adapted well to their new outside learning environment as they waited for new carpet to be laid in their classroom yesterday. They were lucky it was such a bright, sunny day.

Co-operation between Temora High School and Temora Public School has always been positive, and today it took a further step. Mr Gaynor's Year 11 TAS class, worked at school to replace the broken pavers surrounding the garden beds. The boys were very well mannered and did an excellent job fixing the loose pavers. Thanks very much Temora High, your efforts are much appreciated!

Infants Assembly Awards

Student Awardees	Congratulations to our award winners	
Class	Term 1 – Week 7	
Kinder Blue	Adelen C.	Lucy G.
Kinder Yellow	Jaxon G.	Haydn B.
1 Blue	Cooper H.	Liahna W.
1/2 Green	Ace B.	Lucy Mac.
