Happy retirement Mrs Steinhardt and Mrs Nethery

Mrs Steinhardt and Mrs Nethery have decided to retire at the end of this week. These ladies have provided many years of dedicated service to our school and will be sorely missed. They have gone above and beyond in supporting school staff, liaising with parents and helping students. We wish them both all the best for a very happy and relaxing retirement and thank them for everything they have done to make Temora Public a better place in which to learn and work.

Save the date

Our next school gardens working bee will be held on Sunday, 5th August from 9am to 12 noon. We will be planting new trees and shrubs to provide shade for the children. Please join us for us for a fun morning working together for the benefit of our students.
