## Principal's Report

Welcome back to school for term 3. What a busy term it will be with Education Week activities coming up in the week beginning, 6th August. Please see over the page for information on when these special events will be held. We hope to see a large contingent of parents, carers and grandparents at our special assembly and open day celebrations. Our new Director, Ms Carolynne Merchant, will be a special guest at the assembly and the audience will be introduced to our new Positive Behaviour for Learning strategy.

We have four athletes competing in the Riverina Cross Country team at the state carnival in Sydney on Friday. Congratulations to Lara C, Lana P, Sasha C and Haryson M, we wish them the best of luck for a great run.

Some of our students will be performing at Temora's Got Talent next Thursday evening at the M.P.U. All school families are invited to attend this excellent night of entertainment by students from the three public schools in Temora. Entry is a gold coin donation.

Mrs Lyndall Taprell and Mrs Aimee Madden are relieving in the front office until Mrs Steinhardt and Mrs Nethery's positions are filled on a permanent basis. No doubt they will be learning lots as the term progresses, but I've no doubt they will be up to the task. We are looking forward to a busy, but fun term 3.

Regards,  
Mrs Reardon  
Principal

## L3—Language, Literacy and Learning Groups In Kindergarten

### Playground Working Bee

We will tackle stage 2 of the playground upgrade at our next Working Bee on **Sunday, 12th August** from 9am to 12noon.

We need lots of helpers to setup watering systms and plant shrubs and trees. Please join us if you can for lots of fun and laughter.

The Kindergarten classrooms were a hive of activity this morning as students combined for L3 Literacy groups. While Mrs Crawford and Mrs Bray were teaching students in the engine room, other students completed literacy tasks to develop their Reading, Writing, Spelling and fine motor skills. They were supported by three learning support officers who ensured they remained on task. It was wonderful to see this innovative and relevant teaching and learning in action.

**We thank our sponsors for 2018**

**Infants Assembly Awards**

Student Awardees	Congratulations to our award winners	
Class	Term 2 – Week 9	Term 2 – Week 10
