## Kinder 2019 Big Step meeting

This important meeting is on tonight at the Ex-Services Club, commencing at 7pm. Please join us to listen to a Dietician speak about childhood nutrition, as well as information about the role of the School Counsellor. 2018 Kinder parents from the three local primary schools will share tips and tricks for ensuring a smooth start to big school. We hope to see you there.

## Colgate smiles visit

Students were excited to meet Sydney Rabbitohs football star Roy Asotasi yesterday when he came to TPS to promote the Colgate oral health care program for primary students. The program is an initiative of Souths Cares, a not for profit charity and is built upon the belief that prevention is better than cure. The three main messages were that children should drink at least six glasses of water a day, eat two pieces of fruit and five vegies daily as well as participate in regular exercise. Our students received free toothbrushes and toothpaste for participating in the program.
