### Fabulous results achieved at our school Athletics Carnival

We had a very successful, fun filled day at our school Athletics Carnival on Friday. Congratulations to the students pictured below who were the age champions for 2019. Grace K broke three records in the 100m, 200m and Long Jump events, while Mitchell H broke the 200m record. Congratulations also to all students who participated well and whose behaviour was outstanding on the day. Special thanks to Ms Williams, Mr Stringer and the students from THS for their help organising events. Thanks also to Mrs Block and her volunteers and the P and C ladies for ensuring everyone was well fed. What a fabulous day showing great school spirit.
