Principal's Report

Last Friday we welcomed our new Kindergarten 2020 parents to an information meeting about the Kinder program at Temora Public School. The meeting was well attended, with many new families taking part. The "Big Step" meeting for all parents in Temora with children commencing school in 2020 will be held in August. More information will be sent about this in coming weeks. If you know of any children who do not attend an Early Childhood setting but will be starting school next year, please ask them to contact the school for details of the orientation program.

Recently, our School Captains Charlie and Lara participated in a Student Leaders Forum hosted by Mayor Rick Firman and Steph Cooke MP. They joined with their peers from surrounding schools, councillors and principals, to participate in a talkfest that enabled them to share their ideas on how to improve services in Temora and the benefits of living in their local community. Congratulations to Lara and Charlie on their contributions to this discussion.

Regards,

Mrs Reardon
