Fri, 6th Mar	PSSA Soccer Trials in Cootamundra		PSSA levy
Wed, 11th Mar	PSSA Riverina Swimming Carnival	Qualifiers	

### Principal's Report

We have had a great start to the new school year, with all students forming positive relationships with their new teachers and learning class routines and expectations. The focus is firmly on teaching and learning every day, with emphasis on Literacy and Numeracy.

Teachers and students are excited about our new Maths program, which emphasises deep discussions about Maths concepts, number talks, hands on learning and explicit teaching to meet the differing needs of students. Feedback from students has been extremely positive, with some saying they are finding Maths easier to understand and more interesting. Although this method of teaching is taking more time in planning and preparation, the teachers are finding that students are more engaged and demonstrating deeper understanding. Teachers will engage in professional learning next week with an expert Maths teacher to refine their understanding of our new Maths program and what it offers.

We are very excited to have Anne Macauley working with us at TPS each Thursday in 2020. Some of you may know Anne from her other role as Youth Officer from the Temora Community Centre. Anne brings an enormous amount of knowledge and skill to her role at school and she will be working with students and parents to support them in a variety of ways during the year.

Have a wonderful week everyone!

Regards,

Mrs Reardon

Principal

## Fun at the Kindergarten Teddy Bear's Picnic

Our new Kinder students had a ball at the Teddy Bear's Picnic and dance recently. They showed off some pretty cool moves and enjoyed having fun together. Our Year 6 Captains and PBL leaders did an amazing job leading the dancing and showed off their great leadership skills

## For your information

All lunch orders must be handed into the canteen by 9:45 am
