

Principal's Report

We have had a busy start to term 1, 2022 with many new changes being implemented across K-6. The most significant is the change to our bell times. We have taken fifteen minutes from the afternoon session and increased our middle session to allow for a systematic numeracy block to be implemented. Staff are following set expectations for both the morning literacy block and the middle numeracy block. This ensures consistency across K-6. Thursday we have moved back to our old lunch bell time of 1:10pm to allow for additional sport time.

We are also changing our school reporting system in that we will not be providing a Term 1 report. Semester 1 & 2 reports will continue, however in Term 1 we will be holding Student Led Conferences. These are interviews run by our students for their parents, discussing goals, achievements and areas to work on. This is a great chance for you to have input into your child's learning. These will be occurring in weeks 10 and 11.

Our P&C AGM meeting will be on this Wednesday at the Temora Bowling Club, starting at 7pm. We have a fantastic group of parents who attend, it is a great opportunity to share your ideas and feedback as well as joining in fundraising events. New members are always welcome!

SRC members were inducted last week and we have already held our first event. "Two's-Day" was a chance for students and staff to dress up in tutus, tiaras, top hats and ties. Our next event will be the National Day Against Bullying—students will be dressing up as superheroes. The National Day Against Bullying is the 18th March, however we will be participating in activities and dressing up on Monday 21st March as our school photos are on the 18th. More information about the school photos will come out shortly.

Finally I am very excited to announce a staffing change at TPS. Mrs Margo Townsend will be resuming her role as Learning and Support teacher— Mrs Townsend's wealth of knowledge and expertise are a great asset to our school. Mr Darren Reid will be taking on the teaching position with 3/4G—Mr Reid has been an Assistant Principal for twelve years and is an experienced Literacy/Numeracy Coach. We are looking forward to having him as part of the TPS family.

Mrs Erin Pike

Two's Day!

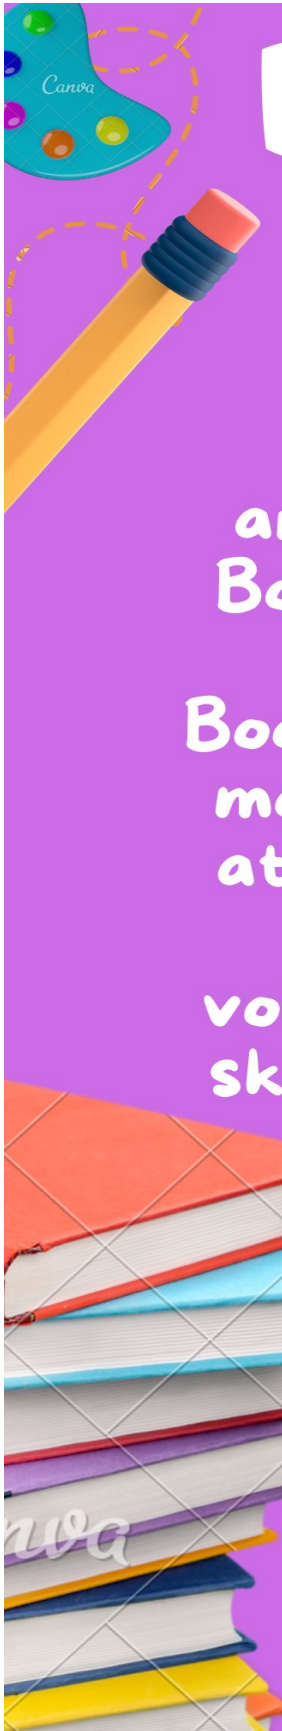

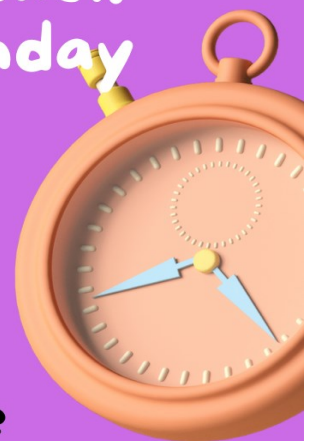

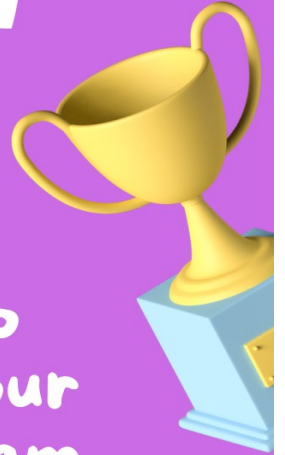

Bookworm Buddies!

We are really excited to announce the return of our Bookworm Buddies program.

Bookworm Buddies runs every morning in Ms Olsson's room at 8:30am. It is a chance for our students to read to volunteers and practice their skills. It will begin on Monday 7th March.

If you are interested in volunteering please contact the front office on 6977 2877 for more details.
