

# TEMORA PUBLIC SCHOOL

## PRINCIPAL'S REPORT

*Mrs Erin Pike*

Students and staff at TPS have settled well into the routines and expectations of their classes. We are excited to welcome new staff members to Temora Public who will make fantastic contributions to our team. You will be able to meet your new classroom teacher at their parent information sessions which will be held for students in years 1-6 in the following weeks. They will also be discussing our new behaviour management system with you, outlining expected behaviours and levels. This will ensure consistency in terms of behaviour monitoring and reporting.

On Monday we held our Semester 1 induction for the Student Representative Council. Our students will play an integral part of the redesigning of both the positive behaviour system and the school playground upgrade. Thank you to Councillor Belinda Bushell who represented Temora Shire Council and presented student badges.

Our P&C Annual General Meeting will be held on Wednesday 1st March - we would love to see more members. It is a great place to contribute to your children's education and life at school. We have a fantastic group who have shared many ideas which have led to whole school improvement. All positions will be available!

## IMPORTANT DATES & EVENTS

# WHAT'S HAPPENING AT TPS...

## YEAR 6 SHIRTS

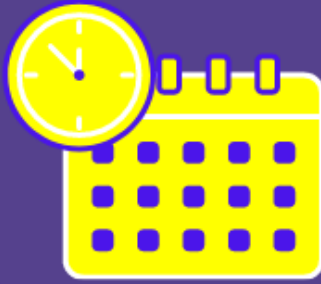

Being a leader of the school means extra responsibilities. With that, also comes privileges. The Year 6 shirts have arrived and they look fantastic! They are able to wear them Monday and Friday. In Term 4, they can wear them on Wednesday for THS Orientation. Our Year 6 students now have their own eating area at recess and lunch, and they love it!
